# WHAT PATIENTS ARE SAYING ABOUT BODYTITE

Hear the difference BodyTite procedures are making for these real patients

BodyTite has tightened and formed my body and I don't have saggy skin or rolls anymore. Three years after having my baby, I feel like I have a new body image and my shape back.

- LISA | BODYTITE

My skin has not felt this firm since I was a single woman in my twenties. There was little to no discomfort and I was back to my normal activities the next day.

- JANNETTE | FACETITE

I cannot believe the improvements in my skin after the Morpheus8 treatment. I went out the next day with no problems! Right away I noticed improvements to the deeper lines around my mouth and nose, and my skin feels so much smoother.
